Cargoclix Help: Carrier

[Index](#)

Book a timeslot: → [Watch a video tutorial on the subject](#)

In order to book a timeslot, click on „Carrier“ and select the CargoMarket and Location of the Shipper, where you want to book a timeslot. Now select the date you want to book on. Gray slots are not bookable, gray striped slots are already booked by another user and white slots are bookable. Now click on your preferred white slot to mark it with a red frame. Click on the "Pre-book" button, which you will find to the right side of the calendar/datepicker. The booking window will now open and you can proceed with your booking in it.

Save a profile for bookings: → [Watch a video tutorial on the subject](#)

As soon as you have entered all information in the booking window, you can go ahead and save the entered information as a profile. Just enter a name for this profile in the booking window. Now, when you save and confirm your booking, the profile will be saved along. A possible name for a profile could be for example the truck plate or the name of the driver, etc.

Book a timeslot using a saved profile: → [Watch a video tutorial on the subject](#)

Mark your preferred free slot with the profile. Now select the preferred profile from the drop-down on the right. The information saved with the profile will be automatically entered in the booking window. Now select the preferred profile from the drop-down on the right. The information saved in the booking window and go ahead to save the booking.

Move a booked timeslot:

Click on a slot you have already booked to mark it with a red frame. Now cut it with the scissors button, which you will find to the right side of the calendar/datepicker. Now mark the free slot to move the booking to and click on "Paste", also on the right side of the calendar.

Extend a booked timeslot: → [Watch a video tutorial on the subject](#)

If the shipper has allowed it, a timeslot could be extended or shortened using the arrows to the left or right inside the slot. A mouse-over makes the arrows visible.

Delete a booked timeslot:

Click on the booking you want to delete to mark it with a red frame. Now click on the "Cancel booking" button to the right of the calendar.

Show a list of my booked timeslots: → [Watch a video tutorial on the subject](#)

Click the „Bookings“ tab in the lower navigation line. The tab shows you a table with of all your bookings for the current day. You can narrow the results using the "Search" link in the upper left corner. A click on the colored status-point opens the booking window and shows you the current status of the particular booking. A click on the magnifier also opens the booking window and shows you the booking details.

Booking status:

The tab „Process details“ in the booking window shows you the steps of the timeslot process which were set by the shipper. (e.g. arrived at factory, truck at ramp, left ramp, truck left factory, etc.).

Blue point means: the process hasn't started yet

Orange point means: the process has started

Green point means: the process is finished

Red point means: delay, process behind schedule

Red circle to an orange or green point: delay at a certain stage of the process
